My condolences to Craig's family. I worked alongside Craig for 6 years at AtAuction, in the photography studio right next to his. He was always upbeat, regardless of how he felt inside. I would always hear him talking to his boys on the phone, which always impressed me ; he was clearly a loving father and devoted father. He always had an upbeat disposition around others, even in times when he was in turmoil inwardly. I'm sure I can speak for everyone that worked with Craig in saying that he was a wonderful person who will be sorely missed.  
Godspeed Craig.

We've been friends for over fifty years. We did so many things together in high school, and now we can't talk about the good old days. I wish we had been closer over the years. I will miss you like a brother. Good bye my friend.
