“ My family would like to send sincere condolences to the Clower family for the loss of your dear loved one. May you find comfort from the Bible promise at Isaiah 25:8. Pray constantly, avoid isolation, and lean on God as you cope during this most difficult time.

“ I already miss answering the phone and hearing " Well Kiddo, how you doing?" She never failed to make sure we kept in touch even if we didn't see each other for a while, we talked. She always kept up with our ancestors and would have a story to tell about finding someone's name and how far down the line we were related. My Aunt Bernice was a kind and giving person and loved her family with all her heart. We will miss her so much as we already do and will hold her love in our hearts forever.
