Life is just a stepping-stone

A pause before we make it home

A simple place to rest and be,

Until we reach eternity.

Everyone has a life journey,

A path to take with lots to see

God guides our steps along the way,

But we were never meant to stay.

Our final destination is a place

Filled with love, His majesty and grace.

Today we celebrate the life of a loved one

Who has gone before us, the race he has won.

His journey has now ended,

His spirit has ascended

Claiming the great reward

With Jesus, our Lord.

“ Corey I'm lost for words and probably will forever be.... What I do know is you made it in. Now you can rest from your labor. I'll never forgot the day DJ introduced us and we've been friends every since. I'll miss you here but I know your in a better place there!!!

“ Pastor! It has taken a lot for me to finally be able to express myself. This hit me hard because when I was ready to leave the church you were able to revive me spiritually. I wish I could have experienced your unconditional love, teaching, and friendship a little bit longer but it wasn't God's plan to do so. This hurt but I thank Jesus for sending a comforter as we all navigate this season without you. I love you and Lady Renee so much and I am happy that I had the opportunity to be a part of your ministry. I will see you soon!!

“ I remember the first time he made me laugh. It was my first Sunday at the church playing bass, and the whole service he kept looking at me shaking his head and smiling. After service he walked up to me introduced himself and said "bro your bass playing is so disrespectful" but something about him I knew I could trust Him with my life and that was just from meeting him one time. The lord definitely made an impact through him. I miss you bro.

“ To the entire Hines Family. Please accept our deepest condolences. Pastor Corey was a very special man of God who has left a wonderful legacy behind. One of Pastor Corey's greatest talents was his ability to effectively teach the word of God at a level that could be easily understood by all ages. Now that he has gone, may the beautiful memories be a blessing to his family. God has Pastor Corey in his keeping and we have him in our hearts. We will miss you Corey.

“ Pastor Hines -

You were one of the first people to pour into our ministry and for that I am grateful. You imparted something special into our ministry. While we did not talk often you still encouraged me through your action and through your words. As I read the different comments I found that what you preached you lived my friend and that is powerful all in itself.

You will be missed on this side of heaven's shores but I can guarantee that you are up there having a good time with your grandfather and all the saints that have gone on before you.  
Rest well my friend! We will see you in the morning.

To the Hines family I am praying for you all. Praying that God with give you strength and that he would give you peace in this season. I also want to thank each of you for allowing us to borrow the precious gift you were given in the form of Corey Hines! He was able to bless so many because you were willing to sacrifice your time with him and for that we are thankful. I will end with Corey was the man he was, the son, the husband, the father, the friend, and the pastor he was all because of you. You made him into the Corey we ALL came to love. Again, thank you for sharing Corey with us.

While the days may seem long and the nights dark, know this one things that Corey will ALWAYS be in our hearts.

Sending our love and prayers..

Sylvester, Latoya, Savion, Faith and the members of The Way Church of Arlington.

“ I pray that God gives you all the peace that surpasses all our understanding. And the love of Jesus Christ continues to be in your heart during this time of loss. I was able to sit under his ministry twice, and both times were a blessing to my spirit. I send my love and condolences to his family.

“ Sitting here reflecting on the time we last spoke. The joy of the Lord, the excitement about your calling and your work on earth, was so evident in your conversation. The love that was so apparent was felt even through the phone. I love you and will miss you, but I know, you would not trade places for what you have received. To live is Christ, to die is gain. Your work is done. Well done!  
See you in the morning Son

“ I remember the night you called me to see if we could take a 1 year old boy as an emergency. You had exhausted all other options before calling as you knew we had our hands full. Of course I immediately said yes. I remember you pacing this young toddler in my arms at 1:00 am. We have now adopted him and he is thriving. You are responsible for placing so many children into living homes. You worked tirelessly for the foster care system, troubled teens and your own family. You touched so many lives. You will be greatly missed here on Earth but I have no doubt God needed you more. He said” well done my faithful servant. Come into Heavens gates” prayers to his wonderful family for peace and understanding.

“ MAN! There is so much I can say. Sometimes death can be so shocking that it literally is hard to breath! However, it is comforting to know that some of God's most trusted have been praying and especially praying for Lady Renee Badillo Hines, Myriah, Myrisa, and Corey Jr.

Corey Hines was my brother from another mother FOR REAL! We laughed and cried together, We dreamed and collaborated together, and in the last 2 years at times when I was broken in pieces, Corey was instrumental in putting me back together.

There is so much I want to say!

I want to yell from the highest mountain how important it is to value relationships.

I want to stress to so many how not to take time for granted.

I want the world to know how opportunity is a window and I want to convey to as many people as possible how serving others is so much more rewarding than being selfish.

These are all lessons that I have observed and learned from your life and your passing. I will forever hold on to the last words I heard you say on that Friday to forever remember to Do IT FOR THE PEOPLE. Until we meet again bro! LOVE YOU MAN!
