

## Larry Gene Ledford

September 9, 1964 - June 21, 2018

Don't grieve for me, for now I'm free,  
I'm following the path God laid for me.  
I took his hand when I heard his call,  
I turned my back and left it all.

I could not stay another day,  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way,  
I've found that peace at the close of the day.

If my parting has left a void,  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss.

Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My Life's been full, I savoured much,  
Good friends, good times, a loved one's touch,

Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free.

“ I will miss greatly, he was a great friend that I worked with at Bell Helicopter. I enjoyed talking to Larry about both our families and fishing. All of the stories about Texas, Larry was the first person that welcomed me my first day at Bell Helicopter, and I will always remember him.

“ I met Larry when I was on second shift at Bell DSC in 2009 and worked close with him until 2014. From my perspective he was a tremendous human being and would take on any challenge and master it. After I moved to day shift to take a different position, I would often stay over just to check in with him and share a few laughs or daily frustrations.

What a kind soul. The world is a better place for Larry having been in it.

Rest in peace my friend.

“ I remember seeing Larry at Lee’s Market and chatting with him there and at school. Always quick to smile, he was the type of guy who could mix well across all friend groups. He was kind and positive. As a classmate said, “He flies”. I’ve been following his story for awhile and thought of Phil 3:20-21. Godspeed Larry

“ Went to high school and worked at Winn Dixie with him, many years ago. He was always smiling and I do not recall him ever having anything negative to say about anything or anyone.

“ Larry was a good man. I had the pleasure of getting to know Larry when I was Chief of NC Programming at Bell Helicopter. He was trustworthy, honest, and kind, three virtues that I hold in very high regard. He was a pleasure to spend time with, working or joking around while we pretended to work :). I have stayed in contact with him on social media even though I moved 2000 miles away after I left Bell. Please accept my condolences, but I am very sure that he is with God now.

“ I will never forget how the Ledford family touched my heart in my time of need. They selflessly came to my rescue during a flood when I parents couldn't, filled my entire fridge, and gave me money to spare. Words can never express how much that meant to me as a young college student. Their compassion is endless. I love your family, and my heart is broken for his loss. I am reachout and pouring love over you and prayers for comfort. I am only a phone call away. I'd love to make meals when you return home. Just let me know when you are in town. I love you all and I'm so sorry ;(
