

Mrs. Lue Wilder Henry

March 15, 1940 - August 25, 2019

Mrs. Lue Wilder (Durio) Henry was born March 15, 1940, in Dayton, Texas to the parents of Joseph and Elizabeth Durio, the youngest of four girls: Olivia, Mary, and Jerry.

Lue attended Dayton Public Schools and graduated from Colbert High School in 1958; she then pursued and obtained her LPN at San Antonio Technical and Vocational School in San Antonio, Texas, in September 1961. She joined Government Service in 1972 at Forbes AFB in Kansas, and later transferred to Luke AFB Hospital, where she served faithfully in several departments including Medical Labor & Delivery; ICU, and Family Practice retiring after 33 years of dedicated service.

On October 27, 1962, she married the love of her life, MSgt. Lorenzo Henry USAF, Ret. in San Antonio, Texas, with whom she faithfully enjoyed life and an inseparable love for over 56 years. From this union, they were blessed with two daughters, Crystal and Jacqueline.

Lue received numerous awards, certificates, and recognitions for her dedicated service to her profession and passion in the medical field.

Lue cultivated a strong spiritual life as a devoted member of Our Lady Perpetual Help Catholic Church for 41 years. She modeled and shared with her daughters the value of loving God and living for Him.

Lue enjoyed cooking, sewing, decorating and welcoming guests into her home. But it was her family that brought her the greatest joy. She loved them dearly and enjoyed talking to her sisters on the phone and making her annual visits back to Dayton, Texas in order to celebrate her father's birthday. In addition, very few things could put a smile on Lue's face bigger and brighter than her grandchildren. She would proudly show them off at every opportunity and would never end a phone call without asking, "How are my grandkids?" "Give them a kiss for me."

She leaves to cherish her loving memories: Her devoted husband, Lorenzo Henry; two

daughters, Crystal (Charles) Van Riper, Phoenix, AZ, Jacqueline (Maurice) Pugh, Arlington, TX; one step daughter, Valeria Carroll, Los Angeles, CA; five grandchildren, Kendall, Maurice LT, Natalie, Shelby and Sydney; one sister, Olivia Dearbonne, Dayton, TX; one brother-in-law, Elmo Arceneaux, Raywood, TX; and many cousins, nieces and nephews.

She was preceded in death by her parents, Joseph and Elizabeth Durio; sisters Jerry Maxie and Mary Lee Arceneaux.

“ My Beautiful Mother in Law with Crystal and dad at our Wedding. She is deeply loved and missed

“ I am sending and passing along condolences from my sister Vanessa Redding (Franklin Henry Sr) . She regrets the inability to be in attendance, but wanted me to express her deepest sympathies, sadness, and extraordinary love for our aunt. I know Vanessa was able to spend a great deal of time, in many locations, and always reported on how amazing that time was. I know if there were any way she would be there to represent those that could not. So many wonderful memories, her inner and outer beauty, her amazing smile and the glow of love that just surrounded her. May she rest in peace knowing that her love and her light touched many far and wide. Her light shined brightly, and magnificently and will continue for all eternity.

“ It saddens me to hear of the passing of our dear Aunt Lue. I would like send our deepest condolences from your Mew Tork family. It was always a special occasion when we could look forward to seeing Uncle Lorenzo and his beautiful wife. I remember spending a week with them as a child when they were stationed in Belleville, ILL. I was just a kid and remember my two beautiful cousins Crystal and Jackie, going to base and hitting golf balls. Her smile and beauty were regal and together they were royalty to me. She had the most beautiful smile, and had special way of making you feel like you were the only one in the room. I wish there were a way that we could somehow attend whatever services were being held. To honor my Aunt Lue, to represent my father as I know he would want to be represented, and show the love that they have always shown us. I know my father will be there, and in our hearts we will also. To Valeria, Crystal, and Jackie I cannot imagine, even after losing my father in what seems like just yesterday, nothing is like the love we have our mothers and they have for us. My wish is that we all are able to see each other again before it is time for us to transition. Time nor space will ever diminish the love I have for you all, and wish I were there to celebrate her life with the family. It goes without saying I am speaking for my mother, my father, as well as my children, and myself. All glory to GOD, and as there is more ailments, pain, or suffering; Rest in Peace Aunt Lue you will forever live in our hearts.

“ I lost my Mom when I was relatively young
After that day you became the one
To listen, to love , to share and care
I could always count on you being there
I'll miss the birthday songs you sang
The advice you gave, the prayers you prayed
To keep me safe, to keep me strong
To live my life, always knowing God's along
So rest in peace my sweet Lue
I'll always love and cherish you

Love your daughter
Lerry

“ Cousin Lue was the first relative I was introduced to when I first got here in Phoenix, She was such a lovely and hospitable lady I adored, she was the chef during holidays especially on Thanksgiving and Christmas, the delicious foods she prepared for us are out of this world, but now this beautiful family tradition we enjoyed will just be memories because our smiling face chef is gone forever, no more homemade sweet potato pies, cornbread dressing and Gumbo for us to enjoy...we will be missing you Cousin Lue especially when holidays come, I will hold on to these memories and the good times I spent with you....rest in peace now my beautiful cousin Inday is up there to welcome you home....I love you and I will miss you so.
