

Miguel Angel Espinoza

June 28, 1983 - November 7, 2019

SPC Miguel Angel Espinoza was called home to our Lord on Thursday November 7, 2019 at the young age of 36.

He is survived by his parents, Belen Villegas and Francisco Espinoza, his siblings: Eduardo Cortez, Cristina Espinoza, Francisco Espinoza, Ricardo Espinoza, and Jasmin Espinoza, his niece and nephews: Edward, Lizbeth, and Angel. Further survived by his grandparents, Ramon and Lupe Villegas, many aunts, uncles, and cousins.

Miguel was a proud US Army veteran who served terms in Iraq and Afghanistan where he earned several medals. Born in Chicago, Illinois, he moved at the young age of 14 to Alvarado, Texas to help his grandparents while attending high school. Shortly after graduating he enlisted in the military. After his honorable discharge, Miguel came home to help his parents run the family business. Miguel enjoyed spending time with family and friends doing his favorite things like watching movies/sports, playing video games, listening to music, but most of all he enjoyed organizing family events where he could show off his grilling skills.

Miguel was an easy going, fun, loving, joking, caring person who lived life to the fullest; that's how he will be remembered.

“ I remember that ever since I was little my Tio Miguel always liked to play around with me . He was like my silly partner in crime. I remember on someone’s birthday we had bought choco-flan and he liked the flan and I always wanted the chocolate cake. So every time someone would buy that we would give each other the piece we didn’t want and got the one we did. I honestly don’t know what my life would be like if I didn’t have my Tio in my life. He was like a role model to show me that I can do things in life and I should always live my life happy and like there is no tomorrow. He showed me what family live was and how people have they’re backs for each other . I know I only knew him for almost 14 years but it felt like I knew him forever. His smile or laugh that he showed was contagious and put a smile on everyone no matter what situation we were in. You showed me the definition of strength and how to push through things. No matter how I feel or how my day went I will always know that my Tio Miguel will always be there watching over me and making sure I’m okay. I know I won’t be always able to hear him but I know for sure that his laugh and smile and him overall will always stay with me In my heart. I love you Tio Miguel and I can’t wait to reunite with you and tell you all these stories in heaven.

“ When you lose someone you love, life will change, you rearrange, and everything around you seems so strange. The world will spin in the wrong direction. You feel alone and want affection. Your appetite changes, you may not sleep, you don't feel like talking to anyone you meet. But as time goes on, things will get better, and everything just comes together. And just because you smile, it doesn't mean you don't care, because you know in your heart that they will always be there.
We will hold on to the great memories we created

“ My sincere condolences to Miguel's family. Miguel was a very polite, nice and respectful young man. All of us at Venus Food Mart are in shock over his passing. We enjoyed seeing him every day, wether he came to fill up his work truck, his car, or just to get a snack or drink. He is missed dearly. I personally will miss our conversations tremendously. May God wrap his arms around you all during this tragic and difficult time. RIP Miguel and thank you for your service Sir.
