

Tim Ellis

October 30, 1959 - January 1, 2020

Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. "You heard me say, 'I am going away and I am coming back to you.' If you loved me, you would be glad that I am going to the Father, for the Father is greater than I. I have told you now before it happens, so that when it does happen you will believe.

“ Tim was a good friend when we were in high school and at our church. He was a sweet man, and I'm so sad to just learn of his passing. Even though months have passed, my heart and prayers are with Tims family and his many friends. God bless you all and comfort you. I know we will all meet again one day. My deepest condolences.

“ "He earned his love by discipline, a thundering velvet hand, his gentle means of sculpting souls, took me years to understand." words from a song...but that was Tim, to me and some others I think when he let us lose our cool in his office, where he would listen, we might hear his outside voice, but he would reset us , and send us back out.

"But his blood runs through my instrument, and his song is in my soul, My life has been a poor attempt to imitate the man, I'm just a living legacy of the leader of the band"

Omaha Tim... Omaha! Love you , Michael

“ Tim you were one of a kind! Loved working in the trenches with you and enjoyed more our fun off the field. Say Hi to Julie as you two laugh about the box of rice.... gotta love all the pranks that you didn't do... may you Rest In Peace. Never Forgotten.

“ So sad. Tim you'll be missed buddy.

Tim was diagnosed with cancer the same time my wife was last year. My wife and I have been blessed with remission, and it fills me with sorrow to hear of Tim's passing. We shared treatment stores last Spring & Summer. What I recall was that he remained strong and positive through that trial. We'd tell him to stay home, but all he knew was to face up to the battle and power on.

Tim was an asset to our team when I worked with him in 2018. He was one of the first people to send me a note and to come into my office when I joined Triumph. He truly cared. He cared with a passion, which made for entertaining times once in a while but always because he cared about doing the right thing. He'll be missed.

“ There is no denying the Ellis family resemblance I would know these loving siblings anywhere. To the entire Ellis family, here's wrapping you all in a warm embrace of friendship and understanding. I grieve with you. To Tim may you rest in blissful peace at the bosom of our Lord for all eternity. Save us a seat at the banquet of the Lord.

“ Tim was my coworker for many, many years. We had offices next to each other, and were always hanging out in each other's office to cuss and discuss just about everything! (The “Oh Brother” moments). I love you Tim and will miss him dearly!

“ In 2019 Karren came and was the "Tent Mom" to the umpires in the tournament. She and Tim Celebrated an anniversary while she was away. Tim came as a surprise and visited Karren the day after their anniversary.

The love they showed to each other was obvious to all, and Tim was an amazing addition to the tournament, if only for a day.

He was answering questions and lifting spirits as we all came off the field. My only regret is that I did not get to actually work with Tim on the field, and I only got to know him for part of a day. He was an amazing man to be around for the little time we shared and I am sorry for the loss to everyone.
